About Me

An ambitious B.Tech. IT student with a drive for challenges, aiming to utilize technical and managerial abilities, a fervor for resolving problems, and a dedication to personal and professional development within a dynamic setting.

Education

B-Tech (IT), Indian Institute of Information
Technology Allahabad

2022 - Present

12th, SMV Jr Clg, Yeola

Passing Year - 2022

10th, SMV, Yeola

Passing Year - 2020

Projects

Scoop Frontend

Contributed to the development of Scoop, a platform designed to provide users with real-time campus insights, facilitating engagement, exploration, and discovery of news relevant to the campus community in OpenCode'23

Vision

Contributed in the development of Vision 1.0, a repository aimed at optimizing and simplifying the prototyping process on Figma in OpenCode'23

Achievements

Opencode'23 Rank 8th

Achieved 8th place in the Hackathon, an intense month-long event organized by GeekHaven focused on exploring various technology areas such as design, web development, cybersecurity, and blockchain.

Worked closely with a skilled development team to address intricate challenges and devise inventive solutions, pushing the limits of shared expertise.
